Upon arriving at Yogyakarta International Airport, you will be welcomed by our tour guide. Without delay, you'll embark on a journey to the Dieng Plateau. The drive to Dieng offers scenic views, showcasing the rich natural beauty of Central Java. On arrival at the Dieng Plateau, you'll head to a local restaurant for a hearty lunch.

In the afternoon, you'll visit the Arjuna Temple Complex, a group of ancient Hindu temples that date back to the 7th century. This site is one of the oldest temple complexes in Java and provides a glimpse into the island's early religious architecture. Next, you'll explore the Sikidang Crater, an active volcanic crater with bubbling mud and sulphuric steam vents, offering a surreal and scenic landscape.

After the day's explorations, you'll check in at a hotel in Dieng Plateau. As evening approaches, you'll make your way to Sikunir Hill to enjoy a breathtaking sunset. The panoramic views from the hill, with the sun setting over the Dieng Plateau, are truly spectacular. Dinner at a nearby local restaurant. Free and Easy.

The day begins early with a trek to Sikunir Hill to catch the sunrise. The early morning hike is rewarded with stunning views of the sun rising over the misty Dieng Plateau, a sight that is often described as magical.

After breakfast at the hotel, you'll visit Telaga Warna, also known as the Colour Lake. The lake is famous for its vibrant and changing colours, caused by the high sulphur content in its waters. Nearby, you'll stop at the Batu Pandang Ratapan Angin viewpoint, which offers a magnificent view of the lake and its surroundings.

Next, you'll visit the Dieng Plateau Theatre, where you can learn about the region's fascinating history and geology through an informative presentation. Following this, you'll explore the geothermal power plant area. The geothermal activity in Dieng is significant, and the power plant tour provides insights into how this natural energy is harnessed.

In the evening, you'll return to the hotel to relax before heading out for dinner at a local restaurant.

Day 3: Dieng – Pagilaran – Dieng (Breakfast / Lunch / Dinner)

After breakfast, you'll transfer to Pagilaran, known for its extensive tea plantations. The tour of the tea plantation will be both educational and scenic. You'll learn about the tea processing methods and enjoy the lush green vistas of the plantation. A guided tour will provide insights into the entire tea production process, from plucking the leaves to processing.

You'll have lunch at a local restaurant and spend some time walking around the serene area, taking in the natural beauty. In the evening, you'll head back to Dieng for dinner and a relaxing evening at the hotel.
